**Invitation for Clash of Minds'23 - Local and International Inter-University Debating Competition**

Clash of Minds'23 is a Local and International Inter-University Trilingual Debating Competition organized by J'pura Voice, the Official Media and Broadcasting Unit of University of Sri Jayewardenepura which is a highly reputed state university in Sri Lanka.

Maintaining the standards, Clash of Minds is organized for the third consecutive time from February to March 2023. Clash of Minds'22 was successfully concluded under the three main language categories of Sinhala, Tamil and English with a participation of more than 55 teams across the island under the guidance of prestigious judges in Sri Lanka, as the panel of judges. This year, J'pura Voice has planned to conduct Sri Lanka's largest inter-university debate competition in a parliamentary format.

It is with great pleasure we invite your university's undergraduates to team up and apply for this debating competition in which you will have a great opportunity to showcase your debating skills. We hope your collaboration with us as you would grab this internationally extended golden opportunity to sharpen your undergraduates' debating skills and bring fame to your university.

Thank You.

Yours Sincerely,

Biseka Bandara

Secretary (2022/23)
