

STUDENT MENTORING PROGRAMME – ALLOCATION OF MENTORS 2024/2025 Batch

Dear Students,

The Student Mentoring Committee is pleased to inform you that mentors have been allocated to the mentors under the Student Mentoring Programme.

The mentoring programme is intended to provide students with guidance and support in relation to their academic progress, personal development, adjustment to university life, and other student-related concerns.

Students are kindly requested to:

- Take note of the mentor allocated to you.
- Please fill the mentoring programme entrance form with your details.
- The entrance form to be submitted to the allocated mentor on the very first day of meeting for their record maintenance.
- You may initially contact the mentor via email or meet them at a feasible time for the mentor
- Maintain regular communication with your mentor as advised.
- Approach your mentor when you require guidance or support.
- Participate actively in mentoring activities and meetings.
- Maintain the mentor meeting record file with you according to the given format.

Students are encouraged to make effective use of this opportunity and maintain a positive and supportive relationship with their mentors throughout their university journey.

Good Luck!
